

Pedigree Charts

The first pedigree chart shows Patricia Bowles (Mother) as the first person. Thomas Bowles, her father, is shown as the second person and so forth. Beside the name of

First four generation from Patricia Bowles: 1) Patricia Bowles. 2) Tom Bowles and Frances Massey; Frances Massey, age 16. 3) John Massey and Jessie Smith with relatives and daughter Frances; Walter Bowles and Anna Morgan. 4) William E. Massey and second wife; William Bowles and gravestone of Anna Rogers; Whitfield Morgan and Harriet Lay; Gravestone of Frances Anderson with 3rd Great-Grandchildren, Sarah and Jonathan Martin; Mary Phillips and Augustus Smith.

each ancestor is an abbreviation of his or her

relationship to Cathy, Ronald, Nancy and Richard (Sharp) Martin and their first cousins. For example, 2GG means Second Great-Grandfather or Second Great-Grandmother if a female. 3GG means Third Great-Grandfather/mother and so forth. The Pedigree Charts show parents and grandparents only, no aunts or uncles are shown. (Note: Not all known ancestors are shown on these charts. To do so would take hundreds of additional pages.)
